Two guys meet in a pub and have a chat about a place to stay.
CONTINUE the discussion where the dialogue ends.

In the Pub.

John sits in the pub and has a beer.
Gerald enters.

1

John Hi. Also here for a drink?

Gerald Yes. Finally found a place to stay.

2

John And? Got what you wanted?

He pulls a face.

Gerald Sort of.

Gerald sits down and looks around.

3

John You must get your drink at the bar.
No service at the tables here.

He gets up to fetch a drink.

Gerald Ok. I'll have a pint.
Nice pub.

4

John Not too bad. And quite cheap.

Gerald sits down again.

Gerald Not too many customers though.

5

John Too early. Later it's quite busy.

Takes a sip.

Gerald Funny agent.
Really thought I would fall for it.

6

John Tell me more?!

Gerald Well the place wasn't that hot.
And pricey!

7

John What agent?

Gerald Black!

8

John*He laughs.*

That old shark.
Only thing he's interested in is his
commission.

Gerald

You know him?

9

John

Who doesn't!
So you found a place?

Gerald

Signed and sealed.
Six months only.

10

John

How did you manage that?
Black never does contracts under one
year.

Gerald*Grins*

Twisted his arm a bit.

11

John

And the price?

Gerald

Quite reasonable.
But now I can take my time to find
something I really like.

12

John

Good luck!
Cheers!

Continue with the discussion!
